Bomaderry Public School Support Team Purpose Statement

We provide a supportive and nurturing learning environment which assists all students to achieve their personal best. Our team develops and implements Personalised Learning and Support Plans (PLSP) across all Key Learning Areas.

High standards of quality educational outcomes are facilitated through

- Quality teaching
- Professional learning
- Social and wellbeing programs
- Family, cultural and community connections
- Consultation and coordinating with other professional agencies

Our commitment to Aiming High results in all students reaching their highest potential.
